SUBJECT: National Environmental Satellite, Data, and Information Service Organization

TO: Office of the Under Secretary
Staff Offices of the Under Secretary
Administrative Delivery Points

The organization codes will be loaded and active in CBS on January 12, 2015, so that NESDIS can begin changing stored accounting, updating allotments, spend plans and labor projections to be ready for the January 25, 2015 effective date. Effective January 25, 2015, the National Environmental Satellite, Data, and Information Service (NESDIS) is reorganized as follows:

- Abolish the National Climatic Data Center (NCDC),National Oceanographic Data Center (NODC), and the National Geophysical Data Center (NGDC) into the National Center for Environmental Information
- Establish the National Center for Environmental Information as a new Financial Management Center
- Establish the Office of System Architecture and Advance Planning as a new Financial Management Center
- Establish the Office of Satellite Ground Services as a new Financial Management Center
- Abolish the Office of Systems Development
- Establish the Office of Projects, Partnerships, and Analysis
- Rename the Chief Information Division in NESDIS Headquarters to the Assistant Chief Information Officer
- Establish five Branches, Cyber Security Program and Solutions Branch, the IT Services and Architecture Branch, the Data Management and Continuity Operations Branch, the Chief of Staff Support Services Branch, and the Commercial Remote Sensing Regulatory Affairs Branch within the Assistant Chief Information Officer in NESDIS Headquarters
- Establish two branches, the Facilities Management Branch and the Mission Support Branch within the Chief Financial Officer/Chief Administrative Officer
- Rename the International and Interagency Affairs Office to International and Interagency Affairs
- Abolish the Satellite Activities Branch and the Applications and Information Services Branch within the International and Interagency Affairs Office in NESDIS Headquarters
- Establish the Communications Branch and the Executive Operations Branch within the Chief of Staff in NESDIS Headquarters
- Rename the Chief Financial/Chief Administrative Office to Chief Financial Officer/Chief Administrative Officer
- Abolish the Management Operations Branch within the Chief Financial/Chief Administrative Office.
- Rename the NOAA Ice Center to the National Ice Center
- Abolish the Ground System Division within the Joint Polar Satellite System Program Office

The organization and related code structures are revised as follows:
