Thank you for your letter requesting approval to grant increases in Fiscal Year (FY) 2015 premium pay elements for marine wage employees of the National Oceanic and Atmospheric Administration. We approve your request and authorize you to adjust pay elements for those employees up to the maximum permissible FY 2015 amount of 1.00 percent, provided no rate exceeds the industry prevailing rate. In addition, no such increase may be less than the minimum prevailing rate adjustments shown in the table below.
