

NOAA Circular 00-15**October 19, 2000**

Please file in the front of NOAA Organization Handbook, or NOAA Directives System Handbook I

SUBJECT: Restructuring - Southern Region Headquarters,
National Weather Service

TO: Financial Management Centers, NOAA Staff Offices,
and Office of Finance and Administration Divisions
and Administrative Support Center Divisions

Effective October 22, 2000 the Southern Region headquarters, NWS, is combining its meteorological and hydrological services divisions into one division entitled Climate, Water, and Weather Services Division to match the newly implemented headquarters structure.

The revised organization and related code structure is as follows:

ORGANIZATION CODE	ORGANIZATION TITLE	MAIL ROUTING CODE
WP1000	Climate, Water, and Weather Services Division	W/SR1
WP1100	Meteorological Services Branch	W/SR11
WP1200	Hydrologic Services Branch	W/SR12
