

NOAA Circular 02-15**Issued: September 19, 2002**

SUBJECT: Realignment - National Marine Fisheries Service

TO: Assistant Administrator for NOAA Fisheries
Office of Finance and Administration
Administrative Support Centers

Effective October 6, 2002, the National Marine Fisheries Service is realigned as follows: (1) the Office of Constituent Services (OCS) is established; (2) the Seafood Inspection Division and its Northeast, Southeast, and Western Inspection, and Technical Services Branches in the Office of Sustainable Fisheries (OSF) are realigned to the Assistant Administrator's staff; (3) the Financial Services Division and its branches in OSF are realigned to OCS; (4) the National Seafood Inspection Laboratory in OSF is realigned under the Director, OSF; (5) the Staff Office for Intergovernmental & Recreational Fisheries is abolished with its Recreational Fisheries function realigned to OCS and its State/Federal function realigned to OSF; (6) the Staff Office for Industry and Trade is abolished with its function realigned to OCS.

The revised organization and related code structures are as follows:
