

NOAA Circular

05-06

July 14, 2005

SUBJECT: Realignment - National Marine Fisheries Service

TO: National Marine Fisheries Service
 Assistant Administrator
 NOAA Finance and Administration
 Administrative Support Centers

Effective July 24, 2005, the Southwest Fisheries Science Center, National Marine Fisheries Service is realigned as follows: 1) rename the Santa Cruz Laboratory to the Fisheries Ecology Division, and 2) rename the Pacific Fisheries Environmental Laboratory to the Environmental Research Division.

The organization and related code structures are revised as follows:

| <u>ORGANIZATION CODE</u> | <u>ORGANIZATION TITLE</u> | <u>MAIL ROUTING CODE</u> |
|------------------------------|---------------------------------|----------------------------------|
| FR7500 | Fisheries Ecology Division | F/SWC5 |
| FR7600 | Environmental Research Division | F/SWC6 |

| <u>NOAA CODE</u> | <u>PERSONNEL SYSTEM CODE</u> |
|----------------------|------------------------------|
| FR7500 | 54-30-51-0005 |
| FR7600 | 54-30-51-0006 |
