

SUBJECT: Reorganization – National Weather Service

TO: National Weather Service Assistant Administrator  
Staff Offices  
Administrative Delivery Points

Effective May 13, 2007, the NWS Pacific Region Headquarters is reorganized as follows:

1. Rename the Technical Services Division to the Environmental Scientific and Services Division
2. Eliminate three branches, currently under Technical Services Division: Systems Integration Branch, Data Systems Branch, and Facilities Engineering Branch
3. Establish the Systems Operation Division

The organization and related code structures are revised as follows:

ORGANIZATION

<u>ROUTING CODE</u>	<u>ORGANIZATION TITLE</u>	<u>MAIL CODE</u>
WW1000	Environmental Scientific and Services Div	W/PR1
WW4000	Systems Operations Division	W/PR4
