I wish to pay the deposit necessary to obtain credit for my military service. I understand that the entire deposit must be paid in full to my agency before separation for retirement. Select your retirement coverage below:

\_\_\_\_\_ As a covered CSRS employee, if I do not complete the deposit and was first hired before October 1, 1982, the Post 56 military service will not be used to compute my annuity after age 62, if I am eligible for Social Security at that time. However, if I was first hired after October 1, 1982, and do not complete the deposit, I understand that my Post-56 military service will not be used to compute or establish title to a CSRS annuity.

\_\_\_\_\_ As a covered FERS employee, if I do not complete the deposit before separation, I understand that my Post 56 military service will not be used to compute or establish title to a FERS annuity.

Any incomplete deposit that will not pay for one or more full periods of military service will be refunded. Otherwise, my deposit is refundable only if I become eligible for a refund of retirement contributions or retire without waiving my military retired pay (if any). I further understand that the Military deposit cannot be deemed paid at retirement if I am eligible for and elect an alternative annuity. If I do elect the alternative annuity upon retirement any completed military deposit that I have made will be refunded to me along with any other retirement contributions or payments I have contributed.

I understand that there are 3 options for paying my Post 56 Military Service Deposit. My choice is indicated below:

\_\_\_\_\_ Attached is payment in full for my Post 56 Military Service Deposit. Make check payable to: U.S. Department of Agriculture. On the memo line print "(SSN)/Post-56 Mil Deposit.

\_\_\_\_\_ I authorize payroll deductions of \$ \_\_\_\_\_ per pay period (\$25.00 minimum) until my Post 56 Military Service Deposit is paid in full. I understand that additional interest will be applied each year on the balance due.

\_\_\_\_\_ I agree to make payments of \$ \_\_\_\_\_ (\$50.00 minimum) for retirement service credit in (monthly, quarterly, semi-annually, annually) installments until the Post-56 Military Service Deposit is paid in full. I understand that additional interest will be applied each year on the balance due.
