NOAA INTERNAL JOB OPPORTUNITY FOR
NON-COMPETITIVE REASSIGNMENT – National Weather Service (NWS)

Reference Number:

Open Period: October 17 to October 31, 2014

Title, Series, Band/Grade: GS-343-15, Supervisory Program Analyst

Area of Consideration: NOAA Employees DC Commuting Area

Relocation expenses will be will not be authorized

Background: This position will serve as Strategy Lead for the Weather Ready Nation goal in the Strategy, Execution, and Evaluation (SEE) system, and needs to assume this role quickly to help guide the planning process that will lead to the formulation of the Fiscal Year 2017 budget. The SEE system is under review and may be changed, but this position will continue to serve as the primary contact between the National Weather Service and the NOAA planning system.

Duties: Serves as primary contact between National Weather Service (NWS) and the National Oceanic and Atmospheric Administration’s (NOAA) planning system (Strategy, Execution and Evaluation (SEE)) to meet requirements of NOAA’s planning system; assure coordination among NWS plans and programs and related plans and programs of other NOAA Line and Staff offices; and develop a common approach among NWS leadership (in particular the NWS Director, Deputy Director, and Chief Financial Officer).

Knowledge, Skills and Abilities (KSAs):
1. Broad knowledge of NOAA programs and plans, roles of NOAA organizational elements, and the NOAA planning system (currently SEE).
2. Specific knowledge of programs and plans affecting the Weather-Ready Nation goal and the National Weather Service.
3. Experience in working with upper level management in evaluating plans and programs.
4. Experience with developing and implementing strategic plans, budgets, and schedules.
5. Ability to communicate in writing and to present information with the intention of consensus building and developing a common approach.

Education Qualifications: There is no positive education requirement for this position.

Specialized Experience Statement: Specialized experience is experience that has equipped the applicant with the particular knowledge, skills and abilities to effectively manage the integration and prioritization across multiple portfolios used to create coherent strategies for the Weather-Ready Nation, from managing employees helping to organize the strategy effort to effectively managing and facilitating the interaction across portfolios to achieve the necessary results.

How to Apply: Email your resume, a copy of your transcripts, a statement of interest, and a brief description of your qualifications as it relates to the above KSAs and/or Specialized Experience Statement to Edward.Johnson@noaa.gov. *Do not send PII info to this email account.*
